PREFACE

In the name of God, the Most Gracious, the Most Merciful.

Praise be to Allah, the Lord of the worlds, and peace and blessings be upon the messenger of Allah ﷺ, his family, and his companions.

In difficult times, like the one we have been living through, people look for role models and leaders to get them out of the confusion and misery.

This book started from the project works from the course of Sirah and Early Islamic History, which is one of the courses under the Postgraduate Diploma in Islamic Studies (PGDIS) offered by the Center for Islamisation (CENTRIS). This course deals with some of the important dimensions of the Prophet's ﷺ biography, prophethood, mission, struggle, and leadership.

Besides the project works of the above course, the book welcomed contributions from other scholars, and we managed to receive a total of 17 chapters. We make Dua' that this book will be of benefit not only to IIUM or the Muslim nations but to the whole world.
