ACKNOWLEDGEMENTS

All praise be to Allah ﷻ who has enabled me to complete this work. Peace and blessings be upon His noble messenger, Prophet Muhammad ﷺ and his companions and those who follow them till the Last Day.

I would like to thank my parents immensely for their invaluable support and encouragement and for instilling positive values in me. I would like to appreciate my wife's support and patience over the years in helping bring this work to reality. Also, her assistance in typing the hard-to-read handwritten manuscript and her feedback on the design are duly recognized.

Amina Sadler's meticulous editing skills were invaluable in getting the raw manuscript to where it is today. She went above and beyond in her efforts, which spanned a couple of years despite health setbacks. I would like to thank Farid Ullah, Norashikin and the entire Dawah Corner Bookstore team for their exceptional work and support in taking care of all aspects of book production and publication seamlessly.

I would also like to thank all the volunteers on the book launch team for helping spread the word, especially Nur Furlong for coming up with the cover concept and Zehak Sarfaraz for her tireless promotion.

Lastly, I cannot thank all my teachers enough. I would like to mention Shk. Dr. Bilal Philips, whose International Open University (IOU) was an invaluable resource in treading the path of knowledge. Also, Shk. Yawar Baig's Leadership Excellence Course and books were an inspiration to write this work.

May Allah reward them all. May Allah accept this work as a humble effort to support the Deen through education. Ameen.
