Foreword

السلام عليكم ورحمة الله وبركاته

As-salam alaikum wa rahmatullah wa barakatuh

All praise is due to Allah (ﷻ) The Most Beneficent and The Most Merciful, The First without a beginning and the Last without an end. May His countless blessings be upon our beloved prophet and messenger Muhammad (ﷺ), his family, companions and all Muslims treading the path of Islam till the day of judgement.

Alhamdulillah, this Fun Brain Teasers is my humble contribution to Al-Islam - the complete way of life. It is aimed at providing the Muslim children with information about the deen of Allah in a fun way. It is therefore based on a play and learn pattern as it is fun, educative, stimulating and quite challenging as it will In shaa Allah awaken a sense of curiosity in children to learn more about Islam.

It is hoped that the children will have as much fun while working their ways through these puzzles as I did while generating and compiling them.

I am indeed thankful to Allah (ﷻ) for making this possible for me to do in my time, Alhamdulillah. Any beneficial knowledge that the children may derive from this book is totally to the glory of Allah (ﷻ) while any error therein is entirely mine. May Allah (ﷻ) forgive and overlook my shortcomings on the day of judgement and may He accept this humble work from me and count it as Sadaqatul Jariyyah.

Ameen.
