40 ḤADĪTH ON ṢADAQAḤ

“One of the best deeds that leads to success in both Dunya and Akhirah is giving charity in all of its forms. It brings comfort and ease to a Muslim in this life and acts as a shield for him against Hell in the hereafter. Before you is a book that is small in size but great in value. The book gained its strength from the Sunnah since the author restricted himself to quoting from the authentic Sunnah of the Prophet ﷺ. May Allah reward the author and make the book beneficial for the Ummah.”

**- Sheikh Dr Ibrahim Nuhu حفظه الله,
Director of An-Nadaa Educational Foundation**

“40 Hadith on Sadaqah is an invaluable addition to Islamic literature, emphasizing the paramount importance of charity in Islam. This concise yet impactful compilation adheres strictly to authentic narrations, offering readers a profound understanding of the spiritual and social dimensions of sadaqah. A must-read for those seeking to enrich their knowledge and practice of benevolence in Islam.”

**- Sheikh Dr Sajid Umar حفظه الله,
Chairman of Al-Kauthar Institute**

“‘40 Hadith on Sadaqah’ by our brother Mohammad Zahid bin Tariq is a very beneficial thematic compilation of 40 authentic narrations from the Prophet ﷺ on the subject of Sadaqah, its types, etiquettes, and virtues. The author has further augmented most of the 40 themes by following up the main narrations with ‘supporting narrations’ which corroborate and enrich the meanings and inferences of the main narrations. In short, it is a faith-boosting must-read for everyone charitable and generous, rather for each and every Muslim.”

**- Sheikh Dr Nabeel Nissar Sheikh حفظه الله,
Umm al-Qura University, Makkah**

“‘40 Hadith on Sadaqah’ offers a comprehensive yet concise study of Islamic charitable giving. It presents 40 authentic prophetic traditions, each enriched with supporting hadith narrations and statements of the Companions. Well-referenced and contextually rich, it serves as a valuable resource for those seeking to understand, improve, and ground their charitable practices in the faith.”

**- Sheikh Joe Bradford حفظه الله,
Shariah Advisor and
Author of 40 Hadith on Wealth and Earning**

To my grandfather, Dr Abdul Aleem Siddiqui

Who taught us the value of working hard to earn a halal sustenance, always helping others, being there for those around us, and lending a hand to anyone and everyone in need without expecting anything in return except from Allah. He taught us the importance of consistently helping the needy no matter how small an amount and even more important was to try and hide it such that it would be a secret good deed between us and Allah Alone. He taught that whenever Shaitan tries to turn us away from giving, we should remind ourselves that true happiness and honour we derive from helping others is knowing that Allah Chose us to be the means through which He is distributing His Bounty among His Slaves.

May Allah place the rewards from any benefit that this book brings heavy on your scale of good deeds and unite us in the Gardens of Paradise.
